To Whom It May Concern:

I have total confidence in recommending Paul Brotherson and Nick Allman of Maverick Financial Services.

Last year I found myself in an extremely difficult situation when I required finance to complete a property purchase. I had been promised the funds needed by my bank, only to find too late to cancel the purchase that the bank could no longer assist me. I tried several other avenues unsuccessfully. Then a friend suggested I speak to Paul Brotherson.

Paul listened, picked up on all the relevant issues immediately, reassured me, and from that point on he and his team just took over and ran with it. They kept me informed all the time, reassured me constantly, and the matter settled on time on a very satisfactory rate.

I have used Maverick again since then, and referred family and friends who have been equally pleased. We all agree that Paul and his staff are committed, totally professional, and a pleasure to do business with.
