Hi Kuan

Everything went beautifully. Having compared notes with some of the other buyers where I purchased my appartment, I can say that Maverick was defintely the best financial service and I will recommend you to other people. The Commonwealth Bank has sent me a letter telling me of the date when they will start taking funds out of the account that Nick set up as a linked account to my mortgage. I have also arranged so that I have a large sum in the account already and money from my pay will go into the account on a regular basis to meet the repayments. Also the first home owner's grant went through easily despite my late provision to you of my birth certificate.

My new address is: [redacted] Pennant Hills 2120. I haven't had a landline installed yet but you can still ring me on the number of where I was living as they will pass on a message. Alternatively you can ring my mother on 46213556 who will give me a message. I am not sure if you have my current work number as I had a promotion during the whole purchase process. My current work number is 9359 3304. I will send you an e-mail of my landline number when I have it installed.

Cheers
